Final A-2

New Business: None

Variances: None

Discussions:

1. Two individuals asked if the AIS property on Law Road, which is zoned A2, could be changed to commercial. Since all neighboring properties are zoned A2 and we do not encourage spot zoning, they were informed that a change would not be permitted.
2. These same individuals asked if a parcel at Williams Road and US 20 could be zoned commercial and it was determined that the property was already zoned B1.

Walk-Ins/Other items:

Jay expressed concern that we complete the SALDO update by the end of the year. Dennis mentioned that this could require extra meetings per month. Also, Supervisors were waiting on the completion of the SALDO update and consolidation into the code book to print hard copies for us. The final zoning code is on the Township website.

Adjournment: Char motioned to adjourn.
