**SECTION 526 SWIMMING POOLS**

Private swimming pools, capable of being filled with water to a depth of three (3) feet or more, shall comply with the following conditions and requirements:

- A. The swimming pool is intended and is to be used solely for the enjoyment of the occupants of the principal use of the property on which it is located.
- B. The swimming pool may be located only in the rear yard or side yard of the property on which it is an accessory use.
- C. The swimming pool, including any above-ground decking, shall not be closer than ten (10) feet to any property line of the property on which the swimming pool is located.**
- D. The swimming pool area or the property in which it is located shall be so walled or fenced or otherwise protected as to prevent uncontrolled access by children from the street or from adjacent properties. Such barrier shall not be less than four (4) feet in height and shall be maintained in good condition. When a fence is used, it shall not have any openings greater than two (2) inches in width, except for necessary gates. When such fence is formed of metal or wire, such metal or wire shall not be less than number six gauge.
