

**NORTH EAST TOWNSHIP
PLANNING COMMISSION**

Monday, March 5, 2018

7:00 P.M.

MEETING

Chair Bob Newara called the meeting to order at 7:00 p.m. Also in attendance were Board members Kurt Lichtenfeld, Kirk Hill, Vern Frye, Fred Garfield, and Russ LaFuria.

The Board continued a discussion on the parking lot lighting at Lakeside Auto. There has been much improvement with the lights going off at 10:00 p.m. It also appears that some of the lighting has been moved closer to the horizontal position. The Board's opinion appears to be that they should consider revising the ordinance to require lighting to be installed in a horizontal position.

Resolution #2018-012 passed on Monday, Feb. 5 to modify the number of members of the Planning Commission. The Commission will remain with 5 members but will now have 3 alternates. The Supervisors have asked Matt Putman and Denny Kershner to join the Board as alternates. Attorney Jeffery will swear them in at this time.

Mr. Newara adjourned the meeting at 7:20 p.m.
