**New Business:**

The Board discussed the upcoming Township Clean-up days. It was decided that they would be Friday and Saturday, May 1st and May 2nd. Friday hours, 7:30 am to 6:30 pm and Saturday, 7:30 am to 2:30 pm. We will accept Tires, E-Cycling and items with Freon for a charge which will be set later. Mulch will be available the week after clean-up, Friday’s only from 7:30 am to 3:00 pm.

Fredrick Shunk noted that bids for the Water/Sewer Building are in and being reviewed, they will be awarded at a later date. Also, the Township will be closing on the purchase of another 10 acres of gravel for Township use on Tuesday, January 21st.

August Neff noted that we have been experiencing a problem with someone dropping off dead deer and deer parts in the Township gravel pit, one deer was also dropped at Freeport Beach Park. The Pennsylvania Game Commission has been onsite.
Attorney Jeffery addressed the Board concerning a letter sent to them from a legal firm in Harrisburg concerning “skill games” across the State. They want the Township to consider passing a slot machine nuisance ordinance. Attorney Jeffery would not recommend honoring their request because it is a crime and either the PA State Police or the Liquor Control Board would police. No action was taken.

After announcements, a motion to adjourn was received from Fredrick Shunk at 9:15 am. Meeting adjourned.

Respectfully submitted,

Karen Ahlgrim, Secretary
