Total approved by a motion from Fredrick Shunk and the second from August Neff was $184,602.13 and passed by unanimous vote.

**Correspondence:**

A request from the People for Life, Inc. to hold their 6th annual Life Run & Walk fundraising event on several township roadways was addressed, the event, a 5K, a 10K race and walk is on Saturday, October 12th, starting and ending at Burch Farms. After reviewing a motion to approve the race was received from August Neff and the second from Robert Mazza and passed by unanimous vote.

Ms. Nikki Cole addressed the Board with a request to hold the “Wine Slushy 5K” a new Relay for Life event involving Arrowhead, Arundel and Lakeview Wineries. She is still in the planning stages and is missing one insurance certificate. The item was tabled for Ms. Cole to have this completed.

**Old Business: None**

**New Business:**

Mr. Phil Jones of 6368 Windy Drive addressed the Board with a proposed speed sign request for the area between Ginny Lane and Windy Lane on Dar Lane and another on Windy Lane between Dar and Brooke Lanes. He noted that presently there are two 15 mph signs in the subdivision and speed is a problem. August Neff noted that those signs were probably installed by the developer as the Township has no other 15 mph areas. The PA State Police do not monitor for speed, but if requested they will do a watch. The posting needs to be corrected or kept which could be done by addressing these areas through our ongoing codification project, Attorney Jeffery noted the August Neff will be reviewing the speed limits as part of that project and he can...
check with Penndot for appropriate speeds. Mr. Putman asked if there could be a blanket speed limit for all subdivisions and Attorney Jeffery noted that each road would have to be addressed separately. Mr. Putman noted that the additional stop ahead signage has helped at Williams and Law Roads.

Mylar: Richard Stetson, North Dill Park Road, presented a redo of his drawing so that the sewer easement can be relocated to the back of the lots. A motion from August Neff and the second from Robert Mazza approved the change and the motion passed by unanimous vote.

Zoning Administrator Russ LaFuria presented a residential development plan by Merle Swift at North Mill Street and Gristmill Drive. Planning reviewed on July 1st, 2019, currently in our zoning a PRD, Planned Residential Development is not permitted in the Township. Planning wants to consider possibly changing that section. This is 8 buildings with 3 units in each with its own private roadway and would be leased. More information will be coming as Planning addresses this further.

Supervisor Neff responded to Mr. Putman’s question about the upcoming “Roar on the Shore”, noting the parade will affect more of Greene and Greenfield Townships and it will be a trial and error since it is a new location this year. Robert Mazza noted that the “Roar to the Vineyards” has already been part of the event for some time and has gone well. There is to be more police presence brought by the event planners as it was done in Erie.

Supervisor Neff noted that the Township has completed putting the last two “dirt” roads in the Township under seal coat.

After announcements, a motion to adjourn was received from Fredrick Shunk at 9:30 am. Meeting adjourned.

Respectfully submitted,

Karen Ahlgrim, Secretary
